

We welcome families to The Fox, and have a menu dedicated to children's tastes that we would be delighted to show you.

For those with special dietary requirements or allergies who may be concerned about the ingredients used, please ask for the chef or the landlord, who will be pleased to advise you.

To the best of our knowledge, none of our ingredients are genetically modified.

All our menus are available from our award-winning web site at <http://www.thefoxatsteventon.co.uk/menus.htm>. Please feel free to take this one to show your friends.

We can offer many of the dishes from our menus as buffets. We are also happy to design a menu for your next special occasion. Please ask for details.

I trust you enjoy your visit to The Fox. If you have a good time, please tell your friends. If not, please tell me.

Thank you for choosing The Fox. Take care getting home, and I hope we see you again soon.

Peter Kidd
Landlord
